

MIND-SYNC 2.0™

HARMONIC WELLNESS LOUNGER

UNATTENDED TREATMENT CHAIR • VIBRO-ACOUSTIC SOUND THERAPY • ZERO GRAVITY
CLINICALLY PROVEN STRESS & ANXIETY REDUCTION • ENHANCES RESTORATIVE SLEEP STATES

MIND-SYNC 2.0™

HOW DOES IT WORK?

LUXURIOUS ZG POSITIONING

- Optimal Zero Gravity positioning - minimizing cardiovascular & skeletal stress
- High fidelity, noise dampening headphones eliminate distractions
- Recommend using eye pillow and weighted blanket (not included)

CLINICALLY PROVEN STRESS AND ANXIETY REDUCTION

- Multiple clinical studies show dramatic positive effects on stress and anxiety
- Improved mood state
- Repeated use shows positive behavioral change in sleep disorders, anxiety issues and addiction
- Four channels of precisely delivered, full spectrum vibro-acoustic sound waves (Quantum Harmonics)

VIBRO-ACOUSTIC SOUND WAVES AND SCIENTIFICALLY COMPOSED MUSIC

- Soothes and re-routes neural pathways
- Sound frequencies create Binaural Beats
- Quiets Brain activity
- Synchronizes the brain's left and right hemispheres.
- Gently lowers brain activity to calmer Alpha, Theta and Delta states (Entrainment)

MENTAL FOCUS, SELF-ESTEEM, MEDITATION AND SLEEP

- Programs in 3 categories
- 12 Precisely designed programs between 25-60 minutes
- Program duration 25 minutes and 1 60 minute sleep program
